1988 – 1993	Study of Animal Breeding and Genetics at the Humboldt-University Berlin (HUB), Germany
1993 – 1996	Ph.D. Candidate awarded by an excellence scholarship from the State of Berlin
1993 – 1994	Visiting Ph.D. Student at the Department of Zoology, University of Witwatersrand Johannesburg, South Africa
1997	Dissertation in Animal Genetics
Jan 1997 – Dec 2001	Scientist in the Department of Biology and Ecology of Fishes, Leibniz-Institute of Freshwater Ecology and Inland Fisheries Berlin, Germany
Since Jan 2002	Staff scientist in the Department of Evolutionary Genetics at the Leibniz Institute for Zoo and Wildlife Research (IZW) in Berlin
Since 2003	Head of the DNA-Laboratory at the IZW
Jan 2005	Habilitation in Genetics (Titled “Sturgeon as model of genetic research”)
May 2005	Appointment in the IUCN Sturgeon Specialist Group
Since Jun 2005	Associated Professor for Animal Genetics at the Faculty of Life Sciences
2006	Founding of the ancient DNA Laboratory (<i>trace lab</i>) at HUB & IZW
2007	Founding member of the Berlin Centre of Genetic Variation and Adaptation
2006 - 2019	Editorial board member of the <i>Journal of Applied Ichthyology</i> (since 2008 Subject Editor for Genetics)
2008-2017	Head of the Sub-Group Genetics of the IUCN Sturgeon Specialist Group
Since 2009	Member of the IUCN Red List Sturgeon Assessment Group
2009	Award from the Forschungsverbund Berlin e.V. for outstanding scientific publications and transfer of scientific research into public media
Since 2010	Member of Scientific Advisory Board of Zoo Arche Warder
10/30/2010	Certificate of Appreciation from the World Sturgeon Conservation Society for “Outstanding contributions to the studies on the genetics of sturgeon species”
2011	Award from the Forschungsverbund Berlin e.V. for outstanding scientific publications and transfer of scientific research into public media
Since 2016	Guest Professorship for Conservation Genetics at the University Hildesheim, Germany
2017	Award from the Forschungsverbund Berlin e.V. for outstanding scientific publications and transfer of scientific research into public media
Since 2017	Co-Chair IUCN Sturgeon Specialist Group & the Member of IUCN Leader Board
Since 2018	Editorial Board of <i>Archaeofauna</i>
Since 2018	Scientific Editor of <i>Genes</i>
Since 2018	Adjunct Professor at Faculty of Life Sciences, Humboldt-University Berlin
